

H.T.Practice
The Highlands and Trafalgar Square Practice.
Patient survey April 2018.

We wish to know your views about us potentially closing our branch surgery- Trafalgar Square Surgery. All services will move to the Highlands Surgery. No service will be affected. Extended hours, enhanced services and home visits will be carried out at the Highlands Surgery. You do not need to change your registration. The doctors, nurses and admin staff at Trafalgar will simply move to the Highlands Surgery. There will be plenty of parking available. **The outcome of this survey and proposed action will be published on our website and on posters in the waiting room. Please write on this form if you wish to have individual feedback- please enclose your email address.**
